

Quality Matters is Contra Costa County's Quality Rating and Improvement System for early care and education programs.

Our network of incentives and support help programs increase their quality.

GAIN PROFESSIONAL DEVELOPMENT

You'll get professional coaches, access to training, and gain new knowledge, skills, and best practices in early care and education.

PURSUE EDUCATIONAL ADVANCEMENT

You'll be eligible and prioritized for stipends for degree attainment and initial child development permit and upgrades.

GROW YOUR BUSINESS

Recognition of your program to market your rating and increase enrollment.

RECEIVE FINANCIAL INCENTIVES

Participating programs are eligible for Quality Grants that range from \$2,000-\$7,000 depending on program size and tier rating level. Funds must be used to improve site quality and must connect to goals and quality elements.

Quality child care matters. Kids who attend quality programs do better in life.
