

Guaranteed Income for Child Care Teachers

- Every child deserves quality early learning
- Shortage of child care teachers in Contra Costa County due to low compensation
 - 19,400 low-income children unable to enroll
 - Make \$6-\$16K less than K-12 staff
 - Primarily immigrant women of color

Guaranteed Income for Child Care Teachers

- Guaranteed Income as interim solution
- Project to launch in fall includes:
 - Compensation survey of local child care workers in county
 - Community input process with child care teachers
 - Advisory group to develop pilot approach
