### Child Classes

#### **Baby Signs (0-11m)**

In this class we will teach sign language. This language helps infants and toddlers express themselves without crying or throwing tantrums. Topics include food, emotions, actions, and familiar words.

#### **Clap And Sing (0-11m)**

In this class babies will learn to develop attention, and respond to the movements, and activities provided each week. We will engage the children with music, and instruments to provoke imitation, and curiosity as they learn through play.

#### **Wiggle Worm (12-23m)**

Your child will gain greater confidence through movement and direction and will benefit emotionally while having fun!

#### **Tic- Tac (12-23m) SPANISH**

Únase a nosotros en esta clase donde tendremos diferentes actividades cada semana, incluido juego sensorial, juego práctico y desordenado.

#### **Locomotor Fun (12-23m)**

In this class children will learn to walk, climb, kick a ball, dance, crawl, gallop and much more while socially interacting with their peers.

#### **Virtual: Seasonal Art (12-36m)**

This class will help build fine motor skills, creative thinking when executing fun art projects, and learning how to follow directions, social skills all centered around the fall season.

#### **JumpBunch (24-36m)**

In this class children get to work on their gross motor skills as they get familiar with a new sport every week.

#### **Mundo Matemática (24-36m) SPANISH**

Los niños explorarán el mundo de las matemáticas a través de historias, actividades divertidas y juegos.

#### **Let's Explore (24-36m)**

Together we will explore wonderful topics like science, math, and art.

#### **Fall Art (24-36m)**

This class will help build fine motor skills, creative thinking when executing fun art projects, and learning how to follow directions, social skills all centered around the fall season.

#### **Virtual: Count With Me ! (37-71m)**

In this class children will solve everyday problems by counting, measuring, classifying, patterning, recognizing shapes and so much more in order to understand the world around them mathematically.

#### **Drop In: Fun Stations**

Families will get the opportunity to explore different stations set up by the teachers. Kids will explore different areas including math, art, science, sensory play, and more!

#### **Fall Storytime (24-71m)**

Children will be able to read, explore, and interact with other children about fall in class while parents/caregivers observe and learn about their child's development.

#### **Pete The Cat (37-71m)**

In this class each week children learn to understand language through storytelling with the pete the cat storybook selections, and have the opportunity to use their imagination to create beautiful crafts while exploring early learning of literacy.
