FREE Community of Practice: Supporting Inclusion

PLUS! Get a \$600 Inclusion Shopping Pass!

We are working to advance developmental screening and inclusion in early learning across the county by helping programs understand and apply essential concepts of inclusion for children with disabilities, delays, or developmental concerns.

Up to 20 early childhood educators, will be invited to participate in virtual sessions with an inclusion specialist to support positive child development, family engagement, and inclusive classroom environments.

- Attend 4 virtual professional learning sessions between February and June 2025
- Each session includes 2 hours of professional learning, delivered by Lisa Kaplan Shaanan, and a facilitated conversation between the participants
- Center-based and licensed home-based (FCCH) settings may participate. Please note: ECE programs in the Quality Matters or QIS program are not eligible.
- Participants will get a \$600 Inclusion Shopping Pass to purchase supplies for their classrooms
