

Transitional Kindergarten/Kindergarten

Contra Costa County

Each school district in our county offers Transitional Kindergarten and Kindergarten classes. While there are similarities in how these classes are structured across districts, there are also differences. Each school district has its own registration or enrollment process and different dates (usually in the spring before the school year begins) for accepting new students. Below, First 5 Contra Costa has compiled enrollment and registration information for each district in our county.

Note: Information gathered February 4, 2025 and is subject to change

First 5 Contra Costa works to ensure young children are healthy, ready to learn, and supported in safe, nurturing families and communities. First 5 Contra Costa funds several programs for families that are free of charge and offered virtually or at locations throughout the county, including parenting classes, family resource centers, screenings for children, and parent leadership.

Learn more about our work or connect with one of our First 5 Centers by visiting www.first5coco.org
